WHO IT SUITS

- People who can walk but need to sit down often while out
- Waiting in queues, at bus stops or at markets
- Days out in gardens or at events where seats are hard to find
- Users up to 100 kg who suit a stick height of 75–84.5 cm

GOOD TO KNOW

- The seat is for short rests. Open all three legs fully and stand them on firm, level ground before you sit.
- The stick height tops out at 84.5 cm, so check it suits your height.
