Padded-Handle Transfer & Walking Belt with Leg Straps

Model **EK-A100** · Joy Ours part no. **JOY-XFER-A100**

A transfer and walking belt with seven thick padded handles and leg straps, rated to 150 kg, in three sizes.

KEY FEATURES

- **Thick padded handles** Four horizontal and three vertical, soft to grip from any side.
- **Detachable leg straps** Two adjustable straps stop the belt riding up.
- **Breathable lining** 3D mesh over foam where the belt meets the waist.
- **Buckle-adjusted waist** A webbing strap and buckle for a snug fit.
- **Double-reinforced stitching** At the seams and every load point.
- **Three sizes** M, L and XL fit waists from 66 to 120 cm.

WHO IT SUITS

- Carers helping someone stand up from a chair or bed
- Short assisted walks around the home
- Carers who want a thicker, softer handle to grip
- Users with a waist between 66 and 120 cm

GOOD TO KNOW

- Measure the user's waist and pick the size that covers it: M 66–84 cm, L 79–104 cm, XL 99–120 cm.
- Check the buckle is fastened and the belt sits snugly before each transfer.
- The leg straps detach when they aren't needed.
- The belt weighs about 410–470 g, depending on size.
