WHO IT SUITS

- Helping someone stand up from a bed or chair
- Supporting a person on short walks at home
- Carers assisting with transfers between seats
- Waist sizes from 66 to 120 cm

GOOD TO KNOW

- Choose the size by waist measurement: M 66-84 cm, L 79-104 cm, XL 99-120 cm.
- Check the buckle is fastened and the belt is snug before each transfer.
- The belt weighs about 410 g (M) to 470 g (XL).
