WHO IT SUITS

- People who need a lidded cup to drink without spilling
- Users who take thickened fluids through a wide spout
- Drinking in small sips through a slit spout
- People who find this open handle style easier to hold

GOOD TO KNOW

- Take the lid, spouts and straws apart and wash each part separately using the brushes supplied.
- Not for use in a microwave, oven, sterilising cabinet or on induction heating.
- When the long straw isn't needed, secure its outer end to the port on the lid.
