Round Shower Stool

Model **EK-S01** · Joy Ours part no. **JOY-SHWR-S01**

A small round shower stool with a 32.5 cm seat that lowers to 36 cm, for tight shower cubicles.

KEY FEATURES

- **Compact round seat** A 32.5 cm seat you can sit on from any side.
- **Low seat setting** Adjusts from 36 to 53 cm, low enough for washing feet and legs.
- **Drainage holes** Water runs straight through the seat.
- **Aluminium legs** Light and rust resistant, with push-button height adjustment.
- **Non-slip rubber feet** Help keep the stool steady on wet floors.

SPECIFICATIONS

Feet	Non-slip rubber
Seat	Plastic with drainage holes
Seat Height	36-53 cm
Seat Diameter	32.5 cm
Frame Material	Aluminium
Maximum User Weight	110 kg
Height Adjustment	Push-button legs
Armrests & Backrest	None
Assembly	Screw assembly, screws included

WHO IT SUITS

- Small shower cubicles with little floor space
- People who can sit steadily without a backrest or armrests
- Anyone who wants a lower seat to wash their feet and legs
- Users up to 110 kg

GOOD TO KNOW

- The legs attach with screws, which are supplied.
- Clean with water and a mild detergent, then dry.
- There is no backrest or armrests: choose a chair if the user needs support to sit or stand.
- Set all legs to the same height before use.
