Shower Stool with Contoured Seat & Handles

Model **EK-S02** · Joy Ours part no. **JOY-SHWR-S02**

A roomy shower stool with a contoured seat, handle cut-outs at each end and a 37.5-56 cm height range.

KEY FEATURES

- **Contoured seat** A wide, gently curved seat that is more comfortable than a flat stool.
- **Handle cut-outs** At each end, to lift the stool and to hold when sitting or standing.
- **Wide height range** The seat adjusts from 37.5 to 56 cm with push-button legs.
- **Drainage holes** Water runs through instead of pooling.
- **Non-slip rubber feet** Help keep it steady on wet floors.
- **120 kg user weight** Rated for users up to 120 kg.

WHO IT SUITS

- People who find a small round stool too narrow
- Taller users who want a seat up to 56 cm high
- Users who like a handhold on the seat itself when sitting down
- People who can sit steadily without a backrest

GOOD TO KNOW

- The legs attach with screws, which are supplied.
- It takes up 45 × 34 cm, so measure your shower floor.
- Set all legs to the same height before use.
