WHO IT SUITS

- Taller users who find standard shower chairs too low
- People who need room on the seat and between the armrests
- Users who find it hard to rise from a low seat
- Showers with at least 54 x 55 cm of clear floor

GOOD TO KNOW

- The lowest seat height is 49 cm, so shorter users may need a lower chair.
- Set all four legs to the same height before use.
- Wipe the moulded surfaces clean after use.
