Swivel Shower Chair with Armrests & Backrest

Model **EKC5211** · Joy Ours part no. **JOY-SHWR-5211**

A shower chair with padded arms and a backrest, whose seat turns and locks in four directions.

KEY FEATURES

- **Locking swivel seat** Turns and locks at 0°, 90°, 180° or 270°.
- **Padded armrests** Two padded armrests to hold when sitting down and standing up.
- **Shower head holder** The included holder keeps a handheld shower within reach.
- **Push-button assembly** Legs, armrests and backrest fit together without tools.
- **Light 4.2 kg frame** Easy to move in and out of the shower.
- **Adjustable seat height** Height-adjustable legs give a seat height of 40–48 cm.

WHO IT SUITS

- People who need arms and a backrest but also want to turn while seated
- Showers where the taps sit to one side of the chair
- Carers who want to turn the user towards them for washing
- Users who shower with a handheld shower head while seated

GOOD TO KNOW

- Check the seat is locked in position before the user sits down or stands up.
- Clean the smooth surfaces with mild detergent.
- The seat is 33 × 33 cm; check this suits the user's size.
