## WHO IT SUITS

- Shorter users who need handles set as low as 75.4 cm
- Homes with little storage space, where a rollator that stands folded helps
- Shopping trips and outings with rest stops along the way
- Users up to 136 kg

## GOOD TO KNOW

- Measure your car boot against the folded size (69.5 × 23.5 × 75.5 cm) before ordering.
- Covered by a 12-month warranty.
