Adjustable Forearm Walker

Model **EKR905BU** · Joy Ours part no. **JOY-WALK-905B**

A forearm walker with padded, height-adjustable arm rests, hand brakes and a seat with a backrest.

KEY FEATURES

- **Padded forearm rests** Take some of your weight through your forearms rather than your hands and wrists.
- **Vertical hand grips** Ergonomic upright grips to hold while your forearms rest on the pads.
- **Height-adjustable supports** Handle height adjusts from 118 to 130 cm.
- **Dual hand brakes** Control your speed and stop when needed.
- **Seat with backrest** A 46 cm wide seat at 55 cm high for rest breaks.
- **Large honeycomb-tyre wheels** 10-inch front and 8-inch rear wheels for suitable indoor and outdoor surfaces.

WHO IT SUITS

- People who find gripping ordinary walker handles uncomfortable
- Users who need more upper-body support while walking
- Walks where you may need to sit and rest along the way
- Users up to 130 kg

GOOD TO KNOW

- The forearm supports sit high (118-130 cm handle height), so check the range against the user before ordering.
- The storage bag holds up to 5 kg.
