# Height Adjustable Overbed Table with Easy-Clean Top

Model **EKT2081** · Joy Ours part no. **JOY-BED-2081**

A wipe-clean 90 × 45 cm table on castors that rolls over the bed or chair and adjusts from 72 to 113 cm.

## KEY FEATURES

- **Large flat top** 90 × 45 cm of space for a meal tray, books, a laptop or personal things.
- **Wipes clean** The smooth, water-resistant ABS plastic top lets spills and crumbs wipe away.
- **72-113 cm height range** Raise or lower the top to suit the bed, a chair or what you are doing.
- **Offset single-post base** The base slides under a bed or chair so the top comes to you.
- **Four castors** Roll it into place for meals, then move it aside when you get up.
- **Powder-coated steel frame** A sturdy steel frame, with the whole table weighing about 10 kg.

## WHO IT SUITS

- People who eat meals, read or write while sitting up in bed or in an armchair
- Carers setting up a meal tray within easy reach of the person they support
- Home care where spills need to be wiped up quickly
- Rooms where the table needs to roll out of the way after use

## GOOD TO KNOW

- The top is fixed flat and does not tilt.
- Measure from the floor to the top of your mattress or chair arms to check the 72-113 cm range will clear them comfortably.
