Hollow Memory Foam Seat Cushion, Men's

Model **EKZ001** · Joy Ours part no. **JOY-PRCR-Z001**

Photo available on request

A memory foam seat cushion with a hollow centre, contoured zones and a front groove, shaped for men, in navy.

KEY FEATURES

- **Hollow centre** The open middle means less contact under the centre of your seat, with space for air.
- **Contoured zones** Raised and lowered areas follow the curves of your seat.
- **Front groove** An open groove at the front, shaped for men.
- **Memory foam** Gives under your weight to cushion and support you.
- **Men's shape in navy** Contours designed for men; a women's version comes in pink.

WHO IT SUITS

- Men who sit for long stretches and want a contoured seat
- Firm chairs that become uncomfortable after a while
- People who want less contact under the centre of the seat
- Warm days, when the hollow centre leaves space for air

GOOD TO KNOW

- Sit with the groove at the front and the hollow centre beneath you.
