Model **EKZ002** · Joy Ours part no. **JOY-PRCR-Z002**

Photo available on request

A memory foam seat cushion with a hollow centre, contoured zones and a front groove, shaped for women, in pink.

KEY FEATURES

- **Hollow centre** Less contact under the middle of your seat, with space for air to move.
- **Contoured zones** Shaped areas follow the curves of your body.
- **Front groove** An open groove at the front, shaped for women.
- **Memory foam** Softens under your weight to cushion and support you.
- **Women's shape in pink** Contours designed for women; a men's version comes in navy.

WHO IT SUITS

- Women who sit for long stretches and want a contoured seat
- Firm chairs that become uncomfortable after a while
- People who want less contact under the centre of the seat
- Warm days, when the hollow centre leaves space for air

GOOD TO KNOW

- Sit with the groove at the front and the hollow centre beneath you.
