Photo available on request

A one-piece memory foam seat cushion with a U-shaped tailbone cut-out and a grey cover that zips off to wash.

KEY FEATURES

- **U-shaped coccyx cut-out** The open section at the back means less contact under the tailbone.
- **Contoured for hips and thighs** Shaped zones support your hips and thighs.
- **One-piece moulded core** A single moulded foam core gives one continuous supporting curve.
- **Bamboo charcoal foam** Slow-recovery memory foam with bamboo charcoal added.
- **Zip-off washable cover** The grey cover has a hidden zip and comes off for washing.
