Memory Foam Coccyx Seat Cushion

Model **EKZ004** · Joy Ours part no. **JOY-PRCR-Z004**

A contoured memory foam seat cushion with a cut-out at the back that takes weight off the tailbone.

KEY FEATURES

- **Coccyx cut-out** The open section at the back takes weight off the tailbone.
- **Contoured surface** The foam is shaped rather than flat, so it follows your body when you sit.
- **Memory foam** Moulds to your body as you sit and recovers when you stand.
- **Easy to move** A loose cushion you can take to whichever chair you are using.

SPECIFICATIONS

Material

Memory foam

WHO IT SUITS

- People who want less weight on the tailbone when sitting
- Hard or firm chairs that become uncomfortable after a while
- Anyone wanting a simple memory foam cushion with a coccyx cut-out

GOOD TO KNOW

- Place it with the cut-out at the back of the seat, under the tailbone.
