Lightweight Self-Propelled Folding Wheelchair

Model **EW2000H20** · Joy Ours part no. **JOY-WCHR-WH20**

An 11 kg self-propelled wheelchair with 20-inch rear wheels, a fold-down backrest and flip-up footrests.

KEY FEATURES

- **20-inch rear wheels** Large rear wheels let the user propel themselves; push handles let a carer help.
- **Folds to 28 cm** An 11 kg aluminium frame with a double cross-brace fold and seat carry handles.
- **One-touch folding backrest** Fold the backrest down to make the chair smaller for the car.
- **Flip-up footrests** Swing the footrests up for transfers; the footplates adjust in height.
- **Attendant brakes** Hand brakes on the push handles, plus a parking lock.
- **Padded comfort** Breathable padded seat, PU leather armrest pads, padded calf supports and a wide seat belt.

WHO IT SUITS

- People who can push themselves some of the time and need help at other times
- Carers who want brakes on the handles when they take over
- Car travel, with the backrest folding down to save space
- Users up to 100 kg

GOOD TO KNOW

- Lock the parking brake and flip the footrests up before getting in or out.
- Adjust the footplate height to suit the user's leg length.
