JOC011 Foldable Shower Chair

 Model **JOC011** · Joy Ours part no. **JOY-SHWR-C011**

A shower chair with armrests and a backrest that folds away, with five seat heights from 39.5 to 49.5 cm.

KEY FEATURES

- **Folding frame** Folds away when not in use, making room in small bathrooms.
- **Height-adjustable legs** Five settings for a seat height of 39.5–49.5 cm.
- **Supportive arms and back** Hold the armrests to sit and stand; lean on the backrest while seated.
- **Non-slip foot pads** Help the legs keep contact with a wet shower floor.
- **Easy to move** Weighs 4.5 kg, so it is simple to reposition.
- **Easy to clean** Wash with warm water and mild detergent.

WHO IT SUITS

- People who find standing in the shower tiring or uncomfortable
- Small bathrooms where a chair can't stay set up all the time
- Users up to 150 kg who need armrests and a backrest
- Home and care settings where the chair is stored between uses

GOOD TO KNOW

- Check all legs are on the same height setting before each use.
- Measure your shower: opened out, the chair takes up 57 × 61 cm of floor.
- The frame carries a 2-year warranty.
