Bath Mat

Joy Ours part no. **JOY-GENR-NJYC**

A clear 53 × 53 cm PVC mat with suction cups and drainage holes, for under a toilet frame or in the shower.

KEY FEATURES

- **Suction cup base** Hundreds of suction cups on the underside hold the mat in place.
- **Drainage holes** Water drains through the central holes instead of pooling on top.
- **Soft textured top** Cushioned PVC with a raised grip pattern, comfortable for bare feet.
- **Fits toilet frames** Sits under or around toilet frames and commodes.
- **Mould resistant** Rinse or wipe clean and leave to air dry.
- **Clear, BPA-free PVC** The transparent finish suits any bathroom.

SPECIFICATIONS

Dimensions	53 × 53 cm
Material	PVC, BPA-free
Colour	Clear
Top Surface	Soft, textured, raised grip pattern
Underside	Suction cups
Drainage	Central drainage holes
Cleaning	Rinse or wipe down; air dry
Usage Areas	Under toilet frames, in front of baths, inside showers

WHO IT SUITS

- Placing under a toilet frame, over-toilet aid or commode
- Inside a shower recess or in front of the bath
- Bathrooms with hard floors that get slippery when wet
- Accessible bathroom set-ups for older people and NDIS participants

GOOD TO KNOW

- Rinse with water or wipe it down, then let it air dry.
- Lift the mat now and then to clean the floor and the suction cups underneath.
- At 53 × 53 cm, check it fits the space in front of your toilet or in the shower.
