Safe Electric Nail Clippers for Seniors

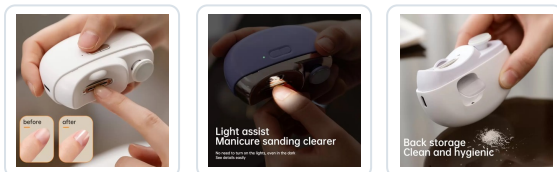

Joy Ours part no. **JOY-GENR-SAFE**

Quiet, one-button nail clippers with a non-slip handle, stainless steel blades and a built-in safety guard.

KEY FEATURES

- **One-button operation** Quiet and simple to use without help.
- **Non-slip handle** Ergonomic grip for limited hand strength.
- **Stainless steel blades** Clean cuts on thick or brittle nails.
- **Built-in safety guard** Designed to lower the risk of over-cutting.
- **Wide opening** Makes trimming easier.
- **Easy to clean** Wipe with alcohol or disinfectant after use.

SPECIFICATIONS

Length	approx. 9.5 cm
Weight	approx. 60 g
Colours	Pink, Purple, White

WHO IT SUITS

- Older people with a weak grip, tremor or low vision
- Trimming thick or brittle nails
- Carers and support workers doing nail care for someone else
- People with arthritis who find ordinary clippers hard to use

GOOD TO KNOW

- Wipe with alcohol or disinfectant after each use and store in a dry place.
- Don't soak the whole clipper, so the handle grip stays in good condition.
