Foldable Mobility Scooter

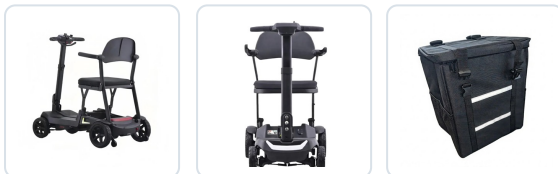

Joy Ours part no. **JOY-SCOT-NJYC**

A foldable mobility scooter with a swivel seat, front basket, lights and anti-tip wheels, for indoor and outdoor use.

KEY FEATURES

- **Folds for transport** The foldable frame makes storage at home and car travel easier.
- **Swivel padded seat** An adjustable seat with armrests that swivels for getting on and off.
- **Simple control panel** Speed settings, direction and battery level in one place.
- **Lights and anti-tip wheels** Front and rear lights for visibility, with anti-tip wheels for stability.
- **Front basket** Room for shopping and personal items.
- **Extra battery and bag** A spare battery and a storage bag are available as options.

SPECIFICATIONS

Battery Option	No, Add Extra Battery (+\$499)
Bag Option	No Bag, Add Storage Bag (+\$99)

WHO IT SUITS

- People who can no longer walk far to the shops or around the neighbourhood
- Trips to shopping centres and parks where distances add up
- Households that need a scooter that folds for the car
- Users who find a swivel seat easier for getting on and off

GOOD TO KNOW

- Check the battery level on the control panel before each outing.
- If you are new to scooters, an OT can advise whether a scooter suits you and how to use it safely.
